RE: DA2025/1087 - 8 Forest Road WARRIEWOOD NSW 2102

Quite simply:

- What school will the residents of this development attend? When all schools in this catchment are already full.
- What bus stop will they park at to commute to the city? When Kitchener and Warriewood are full by 7am?
- What compensation will be made to the residents who have put up with years and years of disruption from the upgrade of Mona Vale road, in the same vicinity of this proposal?
