RE: Mod2024/0593 - 132 McCarrs Creek Road CHURCH POINT NSW 2105

I oppose this application for an addition as in its current state is used as a rental and there is insufficient parking available, vital signs which were erected outside this property were removed illegally you can check with the traffic department so there tenant can park forcing pedestrians onto the road and not to be able access public transport safely, there is little basic infrastructure in Church Point any additional expansion of dual dwellings puts even more pressure on what little infrastructure this area has.

I note no notice was put outside their house giving neighbours the opportunity to write in. Could you please make my name and address anonymous as this neighbour is an aggressive person.
