RE: REV2021/0033 - 37 - 38 East Esplanade MANLY NSW 2095

Dear Council,

I refer to DA2020/0951 that was Refused 9 December 2020.
On 31 August 2021 an amended DA No REV2021/0033 was lodged with Council.

I note that the amended DA is materially different to what was approved by the Owners Corporation in 2020.

Therefore, even if council were to approve the amended DA, the Owners Corporation has not granted it's approval.

I should also note that the Owners Corporation is applying to NCAT for Orders invalidating By-Law 9 pursuant to s150 of the Strata Schemes Management Act 2015.
