Officer comments

General Comments

Environmental Health has been requested to consider this proposal being "Modification of Development Consent DA2020/0739 granted for "Demolition works and construction of a shop top housing development with basement car parking"

The proposal relates to what is, for the majority, changes to the internal building fabric and would not affect previous referral responses from Environmental Health.

Accordingly, the proposal is supported.

Recommendation

SUPPORTED

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
