RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

Dear officer,

I oppose the proposed development at 5 Wilson Ave in because it endangers the future of our church and community programmes.

- 160 children losing privacy and safety due to three-storey buildings overlooking our grounds.
- Lack of a buffer zone, which is essential for security and wellbeing.
- Threats to our ability to expand with classrooms, library, childcare, and aged-care services.
- The need for R3 rezoning and legal protections to safeguard our operational rights long-term.

Our church has been serving families here since 1949, offering language, dance, and scripture classes that keep our community thriving.

Please reject this proposal and protect the future of our children and our community.

Sincerely,
Javorka Ilijasevic
