RE: DA2024/0374 - 142 - 146 Pitt Road NORTH CURL CURL NSW 2099

I would like to object to the proposed development of the North Curl Curl shops. The proposed development does not complement the surrounding aesthetics and removing this building would be taking away from the character of the area. There is currently a diverse range of shops which are well supported by locals. The new proposal is heavily weighted towards restaurants. We would be losing valued small business in our local area. The parking is also not adequate to support this housing and shop development.
