## CONDITIONS THAT MUST BE ADDRESSED PRIOR TO ANY COMMENCEMENT

### 6. Silt & Sediment Control

Where required, provision shall be made throughout the period of demolition / excavation & construction to prevent transmission of soil to the public road and drainage system by vehicles leaving the site.

**Reason:** *To avoid siltation to adjoining properties and waterways. [D1]*

### 7. Construction Certificate

A Construction Certificate is required to be approved and issued by either Council or an Accredited Certifier, prior to the commencement of any works on the site.

**Reason:** *Legislative requirements. [D3]*

### 8. Notice of Commencement

At least 2 days prior to work commencing on site Council must be informed, by the submission of a Notice of Commencement in Accordance with section 81A of EP & A Act 1979 of the name and details of the Principal Certifying Authority and the date construction work is proposed to commence.

**Reason:** *Legislative requirement for the naming of the PCA. [D4]*

### 9. WorkCover

Your attention is directed to the need to seek advice of your obligations from the WorkCover Authority prior to the commencement of any works on the site.

**Reason:** *Statutory requirement. [D5]*

### 10. Inspection Fees

Where Council is acting as the Principal Certifying Authority and where an inspection of building, civil or landscape work is required by these conditions, inspection fees and component certification fees must be paid to Council before Council will undertake any inspections. These fees may be paid at the time of submission of the required Notice of Commencement of works. This condition applies regardless of whether a Certification fee is also payable.

Note: The submission of a Notice of Commencement of works form to Council at least two (2) days prior commencing works is a statutory requirement.

**Reason:** Statutory requirement and information. [D14]

## **11. Public Liability Insurance - Works on Public Land**

Any person or contractor undertaking works on public land must take out Public Risk Insurance with a minimum cover of \$10 million in relation to the occupation of, and approved works within Council's road reserve or public land, as approved in this consent. The Policy is to note, and provide protection for Warringah Council, as an interested party and a copy of the Policy must be submitted to Council prior to commencement of the works. The Policy must be valid for the entire period that the works are being undertaken on public land.

(Note: Applications for hoarding permits, vehicular crossings etc will require evidence of insurance upon lodgement of the application.)

**Reason:** To ensure the community is protected from the cost of any claim for damages arising from works on public land. [D17]

## **CONDITIONS THAT MUST BE COMPLIED WITH DURING DEMOLITION AND BUILDING WORK**

## **12. Progress Inspections (Class 1 and 10 Buildings)**

The Principal Certifying Authority (PCA) SHALL BE given a minimum of forty-eight (48) hours notice for mandatory inspection of the following, where applicable:

- (a) After the building work has been completed and prior to any Occupation Certificate being issued in relation to the building.

The appointed Principal Certifying Authority MUST do the first inspection at the commencement of building work, and at completion of building work.

Notes:

- (1) The appointed Principal Certifying Authority has a discretion to determine additional inspections, or nominate other Accredited Certifiers to undertake inspections other than the first and last inspections, which are required to ensure compliance or otherwise with relevant codes and standards. In any event, the Principal Certifying Authority MUST be advised at all of the stages of construction identified above.
- (2) The PCA must advise the person with the benefit of the consent of the mandatory critical stage inspections referred to in the EP & A Regulations.

- (3) Where Warringah Council is acting as the Principal Certifying Authority for the project, notice is to be given by telephone to Council on 9942 2111 and requesting a relevant inspection. Failure to advise Council at the stages of construction identified above may result in fines being imposed.
- (4) Failure to advise the Principal Certifying Authority of the need for MANDATORY INSPECTIONS at the critical stages of construction detailed above may result in fines being imposed, works being required to be demolished, or delays experienced in obtaining final certification and occupation of the development in order to resolve issues.

**Reason:** Prescribed mandatory inspections under legislation. [E7]

### **13. Replacement of Principal Certifying Authority**

If the person exercising the benefits of a development consent changes or replaces the Principal Certifying Authority (PCA) during works on the site, the replacement PCA must notify Warringah Council within two (2) days of appointment. If the original PCA was Warringah Council, written approval from Council must be obtained for any change to the PCA role.

(Note: Special legislative provisions in the Environmental Planning and Assessment Act 1979 apply to the procedure for replacing a PCA)

**Reason:** Statutory requirement. [E11]

### **14. Noise and Vibration**

Noise emissions and vibration must be minimised where possible and work is to be carried out in accordance with Environment Protection Authority guidelines for noise emissions from construction/demolition works and must also comply with the provisions of the Protection of the Environment Operations Act 1997. This Condition must be complied with during demolition and building work.

**Reason:** To ensure residential amenity is maintained in the immediate vicinity. [E17]

### **15. Construction Hours**

Building construction shall be restricted to within the hours of 7.00 am to 5.00 pm Monday to Friday and on Saturday to within the hours of 8.00 am to 1.00 pm inclusive, with no work on Sundays and Public Holidays.

**Reason:** *To ensure that work is undertaken in a professional and responsible manner and protect adjoining property and persons from potential damage. [F6]*

### 21. Site Sign

- (1) A sign must be erected in a prominent position on any work site on which work involved in the erection or demolition of a building is being carried out:
  - (a) stating that unauthorised entry to the work site is prohibited;
  - (b) showing the name of the principal contractor (or person in charge of the work site), and a telephone number at which that person may be contacted at any time for business purposes and outside working hours; and
  - (c) showing the name, address and telephone number of the Principal Certifying Authority for the work.
- (2) Any such sign must be maintained while the building work or demolition work is being carried out, but must be removed when the work has been completed.
- (3) This condition does not apply to building works being carried out inside an existing building.

**Reason:** *Statutory requirement. [F9]*

## CONDITIONS WHICH MUST BE COMPLIED WITH PRIOR TO ISSUE OF OCCUPATION CERTIFICATE

### 22. Occupation Certificate Required

An Interim / Final Occupation Certificate shall be obtained in relation to the approved works prior to any use and upon completion of the building.

**Reason:** *To ensure compliance with the provisions of the Environmental Planning and Assessment Act. [G1]*

## CONDITIONS THAT MUST BE COMPLIED WITH PRIOR TO FINAL COMPLETION

Nil

## ON-GOING CONDITIONS THAT MUST BE COMPLIED WITH AT ALL TIMES

### 23. Illumination Intensity

The level of illumination and/or lighting intensity used to illuminate the signage is to be minimised to ensure that excessive light spill or nuisance is not caused to any nearby premises.

**Reason:** *To ensure appropriate forms of signage that are consistent with Council's controls and those that are desired for the locality, and do not interfere with amenity of nearby properties. [I20]*

### 24. Signage content

The proposed signage to the illuminated signage panel is not to be offensive in nature, wording or content. Any signage containing pictures or content which gives rise to justifiable complaint to Council is to be immediately removed. Signage is to be provided only in accordance with community standards as represented by the Code of Ethics of the Advertising Standards Bureau or similar peak industry body.

**Reason:** *To ensure advertising is not offensive.*
