Dear Mr Hart,

Planning proposal to amend Warringah Local Environmental Plan 2011

I am writing in response to your Council's letter dated 24 April 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to add 14 local heritage items, amend 3 existing local heritage items, add 10 existing State agency heritage listings, remove 2 local heritage items and correct various errors and anomalies in Warringah Local Environmental Plan (LEP) 2011.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

Council is to ensure that the owners of the properties affected by the proposed heritage amendments are consulted with directly as part of the public exhibition of this planning proposal. Council is to consider all submissions made from property owners, prior to finalising the proposed amendment.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending LEP is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Nabil Alaeddine of the regional office of the department on 02 9228 6244.

Yours sincerely,

Daniel Keary

Gateway Determination

Planning proposal (Department Ref: PP_2013_WARRI_001_00): to make amendments to Schedule 5 - Environmental Heritage and the Heritage Map in Warringah LEP 2011.

I, the Acting Executive Director, Metropolitan Planning at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Warringah Local Environmental Plan (LEP) 2011 to add 14 local heritage items, amend 3 existing local heritage items, add 10 existing State agency heritage listings, remove 2 local heritage items and correct various errors and anomalies should proceed subject to the following conditions:

1. Prior to undertaking public exhibition, Council is to update the 'objectives or intended outcomes' within the planning proposal to advise that the proposed amendment will correct errors and anomalies in Schedule 5 - Environmental Heritage and the Heritage Map in Warringah LEP 2011, following a comprehensive heritage review undertaken by Council.
2. Council is to ensure that the owners of the properties affected by the proposed heritage amendments are consulted with directly as part of the public exhibition of this planning proposal.
3. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2013).
4. Consultation is required with the Office of Environment and Heritage (OEH) under section 56(2)(d) of the EP&A Act. OEH is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
5. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
6. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.
