

-
- Figure 10 is a timeline diagram showing the sequence of events for the 1990-1991 season. The timeline is divided into segments with durations in minutes. The top row shows segments of 2400, 3130, 2120, and 4300 minutes. The bottom row shows segments of 2400, 100, 1590, 100, 1340, 100, 1920, and 100 minutes. A 'Boundary Line' is indicated between the 100 and 1590 minute segments in the bottom row.
