**RE: DA2024/0534 - 14 Bassett Street MONA VALE NSW 2103**

I would like to take this opportunity to object to the addition of another story on the property at 14 Bassett st

Apart from the fact it doesn't comply with council standards and the existing dwellings are not in keeping with the streetscape my concerns are for the current access road

The road is in poor condition and requires frequent restoration. The existing 3 dwellings have up to 6 cars and another dwelling a potential 2 extra cars. There is no street parking. I would like this to be taken into consideration when assessing this DA
