Dear Sir/Madam

Building Certificate Application at 14 BONA CRESCENT, MORNING BAY 2105.

Reference is made to Council's correspondence dated 13/5/14 outlining work to be carried out in respect of the abovementioned premises, prior to determination of the Building Certificate application.

It is noted that 4 months have now elapsed and advice as to compliance with Council's requirements, or other representation regarding this matter, has not been received since 4/6/2014. As the time allowed for compliance with the works as specified is well overdue, the application is now refused and no further consideration will be given to the issue of the Certificate under this application.

Should you require further information please do not hesitate to contact me and I will be pleased to assist you.

Yours faithfully

Wal Dover
