Proposed Hardscape	Stepping stone path with sandstone pebble & groundcover infill, decomposed granite courtyard & lawn area	Stepping stone path with sandstone pebble & decomposed granite infill	Stepping stone path with groundcover infill, decomposed granite courtyard, extg. retaining walls, raised garden beds on ledge	Turf & Mulched surface	Mulched surface

LEGEND

- Site boundary
- Extg tree
- Sandstone Log Retaining Wall or Seat
- Raised concrete planter
- Sandstone Paving
- Sandstone boulder
- Decomposed granite with corten edging
- Lawn with timber boundary edging
- Stormwater infiltration trench under
- Vertical 'green' screening with climbers
- Screen/feature planting - Refer Plant List
- Groundcover/feature planting - Refer Plant List
- Native Feature Trees
 - Eh - *Eucalyptus haemastoma*
 - Ma - *Melaleuca armillaris*
 - Bl - *Banksia integrifolia* 'Sentinel'
 - Ceg - *Ceratopetalum gummiferum*
 - Er - *Elaeocarpus reticulata*
- Tree/Shrub to be removed - Refer Arborist
- Tree Protection Zone (TPZ) - Refer Arborist
- Structural Root Zone (SRZ) - Refer Arborist

NOTES:

- Refer to Architect's Plans for detailed floor plans/sections/elevations & structural landscape treatment
- Per the DCP, Landscaped Open Space & Bushland Setting must cover 40% of the site
- Plant Community Types have been used to guide species selection:
 - for Landscape Zone "Enter" & "Arrive", Sydney Coastal Sandstone Bloodwood Shrub Forest
 - for Landscape Zone "Gather & Garden" & "Retreat & Revegetate", Sydney Coastal Sandstone Gully Forest
- Exact number and location of plants to be determined based on site conditions and availability

LANDSCAPE CALCULATIONS

Refer to Architect's Plans

INDICATIVE SPECIES LIST

TREES <i>Eucalyptus haemastoma</i> <i>Davidsonia jerseyana</i> <i>Leptospermum trinervium</i> <i>Casuarina glauca</i> <i>Melaleuca armillaris</i> <i>Ceratopetalum gummiferum</i> <i>Leptospermum laevigatum</i>	- Scribbly Gum - Davidson's Plum - Tea tree - Swamp Oak - Bracelet Honey Myrtle - NSW Christmas Bush - Coast Tea tree	FERNS <i>Asplenium australasicum</i> <i>Blechnum nudum</i> <i>Doodia aspera</i> <i>Patersonia glabrata</i>	- Bird's Nest Fern - Fishbone Fern - Rasp Fern - Leafy Purple Flag
SCREENING <i>Banksia integrifolia</i> 'Sentinel' <i>Elaeocarpus reticulatus</i> <i>Grevillea</i> 'Orange Marmalade'	- Sentinel Coast Banksia - Blueberry Ash	GRASSES <i>Ficinia nodosa</i> <i>Lomandra</i> sp. <i>Poa</i> sp. <i>Themeda australis</i> "Mingo"	- Knotted Club Rush - Mat Rush - Tussock Grass - Dwarf Mingo Kangaroo Grass
SHRUBS <i>Breynia oblongata</i> <i>Banksia robur</i> <i>Lambertia formosa</i> <i>Banksia marginata</i> <i>Ozothamnus diosmifolius</i> <i>Dillwynia retorta</i> <i>Correa reflexa</i> <i>Doryanthes exelsa</i> <i>Grevillea buxifolia</i> <i>Grevillea sericea</i> <i>Isopogon anemonifolius</i> <i>Persoonia pinifolia</i> <i>Prostanthera denticulata</i>	- Coffeebush - Swamp Banksia - Mountain Devil - Silver Banksia - Rice Flower - Eggs & Bacon - Native Fuschia - Gymea Lily - Grey Spider Flower - Pink Spider Flower - Yellow Drumsticks - Pine-Leafed Geebung - Native Mint	GROUNDCOVERS?HERBS <i>Actinotus minor</i> <i>Actinotus helianthi</i> <i>Banksia</i> 'Roller Coaster' <i>Zieria smithii</i> - prostrate <i>Chrysocephalum apiculatum</i> <i>Ajuga australis</i> <i>Dampiera diversifolia</i> <i>Dichondra repens</i>	- Flannel Flower - minor - Flannel Flower <i>Banksia g/cover</i> - Sandfly Zieria - Yellow Buttons - Austral Bugle - Kangaroo Lobelia - Kidney Weed
		CLIMBERS <i>Pandorea pandorana</i>	Wonga Wonga Vine

NOT FOR CONSTRUCTION
