Dear Sir,

RE: PROPOSED DEVELOPMENT NO 24/2009

Thank you for your notification regarding the above proposed development.

Mr Richard Burns and Mrs Julia Burns we are the owners of 1/28 Reddell St Manly

We have looked at the Proposed Development plans for 7 Marine Parade Manly,
My opinion is that by adding an extra floor and roof top terrace to the existing
building is going to obstruct any views that we currently have from 1/28 Reddell St
Manly, which will obviously de-value our property.

We feel that under these circumstance we have to lodge an objection to this
development.

Thank you.

Yours truly,

Richard and Julia Burns
