Re: Development Application No. 24/2009, 7 Marine Parade Manly.

Dear Sir/Madam,

I am writing to lodge my objection to the proposed development on the basis of its **increased height** which will detract significantly from our water views from College Court apartments.

I am not opposed to the upgrading of the building but was told by a reliable source that the objective of the owners is to include another storey which can be sold to recover their renovation costs.

Unfortunately this does not justify the height increase which obscures our coastal outlook. All 10 apartments in our block will be adversely affected by the extra height and we wish to lodge a **strong objection**.
