RE: REV2025/0005 - 337 Lower Plateau Road BILGOLA PLATEAU NSW 2107

Please consider this as my complete objection the DA including but not limited to the removal of up to 63 trees, the clearing of existing structures to allow for the subdivision of property and the traffic control measures such as traffic lights

The proposed development is not in keeping with the local community and environment.

Lower Plateau Road is a local road and not suitable for traffic lights. There is no precedent for traffic lights on this type of road locally for a reason - it is not reasonable.
