RE: DA2019/1340 - 100 / 0 Meatworks Avenue OXFORD FALLS NSW 2100

This area is currently struggling to cater for local traffic, the roads are narrow and not built nor designed for large trucks. Currently there is a large scale demolition and rebuild of the parkway hotel taking place and this means more large vehicles on our roads. I feel our council has a duty of care to look after our roads as well as the well being of the residents who use them.
