RE: DA2022/1933 - 52 Woodbine Street NORTH BALGOWLAH NSW 2093

Reference: DA2022/1933

We live next door to the property listed in the application, and are happy for the development to proceed. Our only request is that the privacy of both back yards is taken into account and we'd like to see some mature hedging or screening plants be planted down the boundary between the two properties. In particular from the back corner of the proposed pool down to the corner of the house. I feel this gives privacy to both sections.

Regards Brad
