RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

We have had the privilege of enjoying these great facilities of Bareena park tennis centre for the past 18 months. My son has thoroughly enjoyed his tuition there and loves the quietness of the surroundings that Balgowlah heights offers. Jenny and Mark run an exceptional business there, and particularly over the winter months there has been many times where we would love to play more at Bareena after 5pm, but with no lighting, this is not an option. We are then tasked with booking on the courts on Balgowlah rd, Balgowlah in a high traffic area, nothing like the courts at Bareena. We would love to see approval grated for lights to be installed for use later in the evening particularly during winter months at Bareena Park.
