RE: Mod2018/0156 - 1 Palm Road NEWPORT NSW 2106

MOD2018/0156

Please note I have a current complaint lodged with the NSW Ombudsman against the NBC in regards to this matter. The Sydney Animal Hospital at 1 Palm Road Newport has been breaching it's operating hours by 3 hours, a day until 9pm and they have also been operating boarding kennels.

Council has been informed in the past and yet do nothing.

The SAH has an application before council to alter their conditions of use and extend their trading hours.

Today I noticed a yellow A4 piece of paper laying on the ground, tied to a steel pole opposite the Vet Clinic, outside the Newport Bowling Club. I turned it over to see it was a DA notice. (I am not fully aware of how they are supposed to be displayed but that obviously not the way) I was not informed by mail of the proposed yet I live three doors away.

The Council has been negligent and have not enforced the current conditions, there is now an application to alter the original conditions of use. It has all become of a bit of a joke. I have made a complaint to the NSW Ombudsman against the NBC due to thier lack of action.

This matter should be put on hold until after the Ombudsmans investigation
