RE: DA2024/1303 - 11 / 0 Melwood Avenue FORESTVILLE NSW 2087

I am deeply disturbed that the demolishing of our RSL would even be considered. It is a local sanctuary for the community to gather and socialise. This RSL is loved by our community and I cant express how much harm this development would cause. I cant name a single person within our community that thinks this is a good idea.

You must reconsider.
