RE: DA2020/0933 - 164 Warringah Road BEACON HILL NSW 2100

I am Writing to you over my concern that you want to make McDonalds 24/7
This is a residential area where there are families with children that like to sleep at night peacefully to have McDonalds open 24 hours this not going to happen. The gathering of people late at night the noise level will increase dramatically it will attract intoxicated adults that start fights more police will be called on which will then be a issue for there rescources , the pollution will increase as we already have alot of McDonalds packing all over our front yard every day. There is a 24 McDonalds about 2 ks from us Brookvale in an industrail area that in ample we do not want and dont feel its necessary to have another .

Also think of Covid 19 whats not to say that this will start another cluster right on our doorstep.

Please take this letter seriously

Regards

Rexford Carlson
