Officer comments

Further to a review of available documents and a site visit

The site of proposed development is not heritage listed, however, it is in the vicinity of listed item, the Harbour Foreshores.

Given the nature of the proposal, the separation between sites, and the nature of significance of the item, it is assessed that impact on heritage values will be within acceptable limits.

Based on the above, I have no objection to this proposal from heritage perspective and deem heritage conditions not required.
