Dear Sir/Madam

Re: Development Application Tree Removal and Tree Pruning

Council has received an Application for Tree Removal and Tree Pruning at **98 Hilmer St, Collaroy** dated **18/7/10**

Upon review of your application against Council's records, it has come to our attention that your application is deficient as detailed below and therefore cannot be processed by Council.

- B - please see updated form, thanks.*
- ☒ Lot/DP has not been provided. As per Section 3.1 of the form the Lot and DP number must be provided for the subject land.
 - ☐ Lot & DP being provided does not match Council Records
 - ☐ Owners Consent not provided (both owners must sign)
 - ☐ Payment not included/Cheque not signed
 - ☐ Land owners consent has not been provided for the lodgement of the application in accordance with the provisions of the Environmental Planning and Assessment Regulation 2000. In this regard, prior to Council considering your application, you are required to provide written land owners consent for the lodgement of the application from all property owners.

(NOTE: If your application is from a strata body, the application must be accompanied by the Strata Seal and the body corporate approval for the lodgement of the application. Email's are not accepted).

Notwithstanding the above, if this is an urgent matter (and all of the legal owners of the tree agree) and a qualified arborist provides a written statement that the tree/s in question are dead or there is imminent danger to life or property, Council's Tree Preservation Order (enacted under Clause 31 of Warringah Local Environment Plan 2000) allows for the tree/s to be removed subject to a written statement and photographic evidence being forwarded to Council within seven (7) days of the tree/s being removed.

Yours faithfully

Ryan Cole
