The Natural Resources Access Regulator (NRAR) has reviewed documents for the above development application and considers that, for the purposes of the Water Management Act 2000 (WM Act), a controlled activity approval is not required for the proposed works and no further assessment by this agency is necessary.

Controlled Activity Not Required

The subject works relate to surface water or groundwater extraction, in this instance these works are regulated by WaterNSW under the Water Management Act 2000. Please refer the subject IDAS to WaterNSW for assessment.

If you have any questions regarding this correspondence, please use NRAR Assist to obtain further information or make an enquiry:
