RE: DA2019/0683 - 35 Reddall Street MANLY NSW 2095

Dear Assessing Officer,

I write as the owner of Unit 2/127 Bower Street.

I am appalled at the proposal for DA2019/0683 for a number of reasons including the bulk of the development and its apparent disregard for the aesthetics of the street and surrounding homes.

Please consider the increased pressure on the existing parking problem which as an owner of an older style apartment with no on site parking, I am acutely aware of. Kind regards, Candace Lewis
