RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

I was born and lived on the Northern Beaches for 52 years. All my family and friends still reside there and we now visit frequently.

We strongly oppose the proposed development. We have family that live in Wilga St Elanora Heights and oppose the development for the impact it will have on environment, the area and the community in this area and surrounds. Prior to moving North we lived at 3/1 Fantail Avenue in Warriewood for 10 years. Thank you for considering our comments.
