69 Birkley RD
Manly NSW 2095

RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

This development will increase available court time and therefore have significant positive impact for club members and casual hirers within the community, increasing healthy activity and building community engagement.

There will be no impact on street parking availability (of which there is already plenty) and the agreed turn-off times will be no impost on any neighbours.
