RE: DA2024/1303 - 11 / 0 Melwood Avenue FORESTVILLE NSW 2087

Dear members of the council,
Your plan to demolish the Forestville RSL and replace it with suburb dominating oversized retirement village, is not a good idea. Please do not touch the Forestville RSL and its immediate surrounds. I am totally against this proposal. Please find somewhere else to develop.

It appears to be a very irresponsible project.
