**RE: 88 BOWER STEET, MANLY
DEVELOPMENT APPLICATION DA2021/1400**

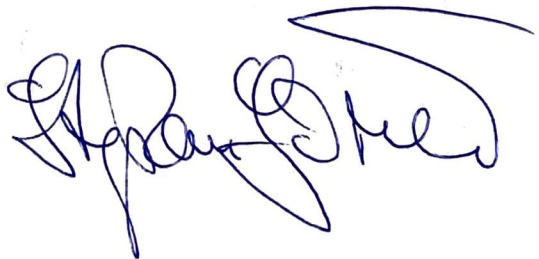

We are writing to express our support for the recently advertised DA at 88 Bower Street, 2095 Manly (DA2021/1400).

We feel that the proposed design is a sympathetic addition to our street that considers the amenity of its neighbours and provides a building of high design quality.

We have met with the new owners and the architect prior to the lodgement to discuss the proposal. Based on our conversations and reviewing the submission we are very happy with the proposed design and the overall engagement process.

We have no objection to this development. More importantly, we feel it is a positive contribution to the community around Bower Street.

Yours sincerely,

Christiane and Stephan Goerner, 87 Bower Street, 2095 Manly
