Re: 36 Lindley Ave, Narrabeen 2101

To Whom it May Concern

Complete Arborcare produced an Arboricultural Impact Assessment (AIA) for the above-mentioned site on the 17th November 2017.

Since that date variations in the design have been made.

Upon review of the latest plans, it has been concluded that no impact will take place upon any tree/s reported upon in the AIA.

Best Regards
