RE: Mod2024/0616 - 681 Barrenjoey Road AVALON BEACH NSW 2107

Edmund Hock Ave parking is a problem. A few times it has been difficult to access the road. Cars are parking between 681 and 679 in the little space that is there. I have a photo of one car from last weekend. But I don't know how to attach. Makes it very difficult to access road. Parking along Edmund Hock needs to be look at. Sunday and Monday are very difficult with garbage bins from shops and units plus cars parked all over the place.
