To Northern Beaches Council,

DESIGN CERTIFICATE

RE: – Lot 1 (No. 49) Waratah Parade, Narraweena

This is to certify that the hydraulic design from Nasser Associates job no. D4043 dated 9 November 2023 for the above-mentioned single residential dwelling development is in accordance with Northern Beaches Council's Specification for Stormwater Management Guidelines, Basix Certificate and appropriate National Plumbing and Drainage Code and Australian Standard AS 3500.3.2015.

Please note part of the stormwater construction were completed on site with the previous hydraulic design by others. The hydraulic design by Nasser Associates has shown the existing stormwater systems and the new systems to be added. We have proposed to combine OSD and RWT systems into aboveground tanks, as per our discussion with the Council Development Engineer on 11 October 2023.

If you require further information on the above matters, please contact the undersigned on the above telephone number.

Yours faithfully,

J. NASSERI
