Important Information

This letter should therefore be read in conjunction with DA2012/0198 dated 16 May 2012.

Please note that on site works cannot proceed unless a Construction Certificate application for the modified proposal has been lodged with and approved by Council or an accredited certifier, and relevant conditions of the Development Application have been carried out.

Section 97AA of the Environmental Planning and Assessment Act confers on an applicant who is not satisfied with the determination of the Consent Authority a right of appeal to the Land and Environment Court within 6 months of determination.

Right to Review by the Council

You may request the Council to review the determination of the application under Section 96AB of the Environmental Planning and Assessment Act 1979. Any request to review the application must be lodged and determined within 28 days after the date of the determination shown on this notice.

NOTE: A fee will apply for any request to review the determination.

Signed On behalf of the Consent Authority
