### Reasons for referral

This application seeks consent for any application on land or land being adjoining or adjacent to any parks, reserves, beaches, or foreshore

And as such, Council's Parks, Reserves and Foreshores officers are required to consider the likely impacts of the proposal.

### Officer comments

The proposed works will replace existing boat ramps and as such no concerns are raised. All development works must ensure that surface sediment runoff and/or erosion is controlled, managed and contained within the site boundaries.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
