Subject: REV2021/0033 (DA2020/0951) Capricorn 37-38 East Esplanade

We are owners and residents in adjoining building 2 Wentworth St and object to the proposal on the basis of reduced privacy, increased height and also the inevitable noise that will occur from use of the area particularly late at night. This would impact us and all adjoining buildings and their residents.

John & Fiona Rogers

214/2 Wentworth St
