RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

I support the Bareena Tennis clubs application for lights. Lights will mean that local Children in our community can be taught and play beyond 5 pm during the two winter terms and that working families can play together; it will also allow local Mums and Dads to play both socially and in the evening district tennis competitions. Modernity, work and school life pressure have eroded many traditional weekend family activities. This project will help support a much-needed healthy family activity and one that brings the community together.
