Reasons for referral

This application seeks consent development on land, or within 40m of land, containing:

- All Development Applications on
- Actual or potential threatened species, populations, ecological communities, or their habitats;
- Wildlife corridors;
- Vegetation query stipulating that a Flora and Fauna Assessment is required;
- Vegetation query - X type located in both A & C Wards;

And as such, Council's Natural Environment Unit officers are required to consider the likely potential environmental impacts.

Officer comments

The proposal has been assessed against Manly LEP Clause 6.5 - Terrestrial Biodiversity. Assessment has considered the submitted arboricultural report, landscape plans, architectural plans and Statement of Environmental Effects.

The proposed works will not require removal of any native trees or wildlife habitat. There are no objections to the development, subject to conditions.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
