Dear Sir/Madam

**Re: Integrated Development Referral – Modification**  
**Dev Ref: Mod2021/1000**  
**Description: 80mm submersible pump**  
**Location: 199 & 207 Forest Way, Belrose**

I refer to your recent referral regarding an Integrated Development Application (Mod2021/1000) for a modification to the consent - seeks consent for the provision of 5 garages in place of the previously approved 8, new potable water generator and removal of the Building D detention basin.

WaterNSW has reviewed the proposed amendments. The information provided indicates that there are no changes to the water supply work to take groundwater.

The General Terms of Approval issued on 3 October 2018 are still current and we have no objections to the proposed amendments.

Yours Sincerely

*Amanda Herringe*
