RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

Thank you for the opportunity to comment. BPTC has been an integral part of our community for over 50 years. It needs to continue its role as a sporting, exercise, social and community facility.

Night lights would enable this.

Lights off time is not late.

Such a facility should be utilised to its full advantage. A shame to have courts not used

In 2023 with our government actively encouraging exercise and sport to all citizens, we should move to implement acces to more people.

There are other tennis clubs in the northern region whose neighbours enjoy the fact that night lights are in operation.

Lights would allow people to come from work and have a hit.

The courts are used in daylight saving until later.

Thank you
