RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

Dear Sir/ Madam,

I am writing to express my support for the night lights at Bareena Park Tennis Club (BPTC).

I believe there are a number of benefits for the community

- great opportunity for local residents to participate in support/ stay active outside of work/ school hours
- opportunity for BPTC to compete in competitions that it cannot do today due to not having the ability to host night matches
- I believe we should be making it easy for young people to take up sport (tennis in this case) to encourage a healthy lifestyle and take pressure off the health system in future years

Yours Sincerely,

Paul White
