RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

Honestly there is not enough infrastructure to support all this
The roads are awful look what happens when it rains and the parkway shuts and Mona vale
rd clogs down to one lane at the Bahai temple
Stop shoving more and more people into the beaches
We can't support it ! Took our hospital away and it's now a 25 min drive from Mona vale
This is NOT a good idea
Stop being greedy
