Privacy and Personal Information Protection Notice

The personal information requested in this form is required by or under the Roads Act 1993 (Section 138) and will only be used by Warringah Council in connection with the requirements of that Act and any other relevantly applicable legislation relating to the subject-matter of this application. The information is being collected for the following purposes, namely, to enable us to (1) process and determine your application; (2) contact you in relation to your application should that be necessary; and (3) keep the public informed by making the application publicly accessible. If you do not provide the information, Council will not be able to process your application, and Council may even have the right to reject your application.

Your application will be available to Councillors and Council Officers. Members of the public have certain rights of access to information and documents held by Council under the Government Information (Public Access) Act 2009 (GIPA), and under the Privacy Information Protection Act 1998 (NSW) to the extent permitted by those Acts

Warringah Council is to be regarded as the agency that holds the information, which will be stored on Council's records management system or in archives and may be displayed on DAs Online (except as regards to personal particulars). You have a right to access information within the meaning of the Privacy and Personal Information Protection Act 1998 (NSW) on application to Council, and to have that information updated or corrected as necessary. Please contact Warringah Council if the information you have provided is incorrect or changes or if access is otherwise sought to the information. In addition, a person may request that any material that is available (or is to be made available) for public inspection by or under the Local Government Act 1993 (NSW) be prepared or amended so as to omit or remove any matter that would disclose or discloses the person's place of living if the person considers that the disclosure would place or places the personal safety of the person or of members of the person's family at risk. Any such request must be made to Council's General Manager: see s.739 of the Local Government Act 1993 (NSW).

PART 3 Application

For levels and supervision fee refer to Council's fees and charges

Construction of any kind (including excavation) must be carried out by contractors authorised by Council.

The finish must be plain concrete.

The standard vehicular crossing width is 3 metres.

I/we hereby apply for street levels at the above address for the purpose of:

Having a new vehicular crossing slab constructed

Having an existing vehicular crossing slab re-constructed

Constructing a drive within the property to the street boundary

Constructing a footpath adjacent to the property

Street access from

Width of vehicular crossing

Please tick

☒☐☐☐

Vehicle crossings shall be constructed with plain broom finished concrete, or approved equivalent. All cosmetic/decorative treatments, including but not limited to, asphalt, paved, coloured, exposed aggregate, stamped, stencilled and post construction treatments are prohibited. Failure to comply with this requirement may result in demolition of the crossing and reconstruction of the crossing to Council standard, with all costs borne by the applicant.

PART 4 Site Sketch

Site sketch

Please note that except in exceptional circumstances, no more than one vehicular access is permitted per dwelling.

Construction must not encroach beyond side boundary without written permission of adjoining owner

Use the space below to sketch the location of new vehicular footpath crossing(s).

Provide as much detail as possible and include dimensions to property fences, buildings or other fixed objects.

Copies of reduced DA plans may be attached to the application in lieu of a sketch.
