RE: DA2023/1023 - 32 Loblay Crescent BILGOLA PLATEAU NSW 2107

Please see my email of earlier today forwarded at 12.34pm to Council email address in which we provided all of the documentation and revised drawings/ photos to support and fully detail our opposition to the approval of this DA.

We would request that you please review all of the information provided and further that you please contact us at your leisure to have a face to face meeting on site at our home at 34 Loblay Crescent to view and discuss the issues that are involved and to view the actual on the ground conditions as some elements of the applicants submission/drawings are either incorrect or the situation not fully detailed.

We thank you in advance for your time in reviewing our submission opposing and look forward to meeting you in the future- Helen & John Lawson
