Attn: Jordan Howard

Dear Jordan,

Development Application No. DA2023/1621

Description: Alterations and additions to a dwelling house including a swimming pool

Address: 185 Ocean Street NARRABEEN

Reference is made to the proposed development at the above area and Aboriginal heritage.

No sites are recorded in the current development area and the area has been subject to previous disturbance reducing the likelihood of surviving unrecorded Aboriginal sites.

In line with our normal advice for sandy areas, the Aboriginal Heritage Office recommends that the development conditions should provide for stop work provisions (unexpected discovery protocol) should human remains be uncovered. In the event that human remains are uncovered, works should cease and the NSW Police must be contacted.

Under the National Parks and Wildlife Act 1974 (NPW Act) all Aboriginal objects are protected. Should any Aboriginal Cultural Heritage items be uncovered during earthworks, works should cease in the area and the Aboriginal Heritage Office assess the finds. Under Section 89a of the NPW Act should the objects be found to be Aboriginal, Heritage NSW and the Metropolitan Local Aboriginal Land Council (MLALC) should be contacted.

Kind regards

Susan Whitby MCISc PLV
