DA2019/0683

Demolition works and construct
providing a total of 23 swellings
95 Bower Street and 29, 31 & 3

=====

To Whom It May Concern:

The recently development proposal Application
contains plans to demolish 4 properties and 1
townhouses. Those numbers of dwellings exist
this area in 12.

I strongly disagree with the proposal and I was
density rate of the development site of 1 unit
residential density for the site is 12 and not 2
