RE: DA2022/0971 - 0 Sydney Road MANLY NSW 2095

A building riddled with problems, aesthetically insignificant, poorly positioned, and clearly a development that was done without much consideration or thought. The sooner it goes the better. Lets open up the space back to public use and integrate it into the remaining park. I note that the scented garden and playground will not be demolished at the same time that the childcare centre will be demolished.
