Re: Proposed rezoning 2, 10, 18, 20, 22 & 28 Ingleside Rd, Ingleside (ref: R0007/04)

6 December 2004

Dear Joanne,

The Katandra Bushland Sanctuary supports the above mentioned proposal. The Trust commends the decision to limit dwelling zones to the front sections of the lots and to provide asset protection zones within each of the lots at the rear.

The revised proposal is less intensive than the original and more in keeping with the council's ongoing commitment to the preservation of bushland along the Ingleside/Warriewood escarpment.

Sincerely,

Margaret Seymour
