**RE: Mod2018/0222 - 11 Victoria Parade MANLY NSW 2095**

Dear Sir/Madam

I'm opposed to this development as it's way too high at 6 stories for this Cnr intersection. We already have a few sins from the past like 22 Darley Road and we the community don't want this to be the new normal. How about approving 4 stories.

Thanks  
Nick
