RE: DA2023/0720 - 0 Vista Avenue BALGOWLAH HEIGHTS NSW 2093

We have a family membership at Bareena for 2 adults and 2 kids aged 13 and 12. Having the ability to play at night would be hugely beneficial for our young family. As my wife and I work full time we really can't play until the weekends due to work, school and kids commitments. The club is in the heartland of our community and having the ability to be open longer would be a huge benefit to the community as a whole. Other clubs have lights and are fully utilised. Having lights at Bareena enhances a key community asset. New technology with lights means the impact on surrounding properties is minimal. Mosman Grass Tennis Club have just had a similar application approved in their community.
