RE: PEX2025/0001 - 13 Wilga Street INGLESIDE NSW 2101

I am an attendee of the Serbian church at 5 Wilson Ave Ingleside, right next door to the proposed development. I have always enjoyed the peaceful surroundings of this church, and I believe the multiple dwellings in the proposed development will create extra noise which will destroy the peacefulness of the area.

Thank you for your consideration.

Kind regards,
